

MOORED BEAUTY SCHOOLS - Financial Aid Completion Instructions

Financial Aid - Completed at www.studentaid.gov - School Code 030752

School Code **030752** is used for **all** campuses (Will show *Twin City Beauty College*, that is ok for all locations)

Go online to www.studentaid.gov and click “Create an account” or “Login” if a returning user. There is no cost or commitment to completing the financial aid. You will need a parent involved if considered a dependent student by the U.S. Department of Education. It is best to have 2017 and 2018 US tax information available. Generally, if you are under the age of 24, not married & have no kids, you will be considered Dependent, even if you don’t live at home. Moored Beauty School staff is available at all locations to answer questions or set up time to assist with completion of the financial aid or FAFSA.

- 1) Create an account if you are a first time user or login if you have completed financial aid previously. If creating an account, you will need access to your email & cell phone to receive confirmation codes to verify your identity. This takes a few minutes to set up. If dependent, the parent who will be signing paperwork will also need to create an FSA ID with their information.
- 2) Complete the FAFSA online at www.studentaid.gov using the login username and password. If dependent, a parent will use their account login to sign at the end of the process.
- 3) SCHOOL YEAR’s 2019/20 vs. 2020/21 & TAX YEARS:

19/20: The FAFSA login will currently default to the **20/21** tab or school year. If starting between July 1, 2019 & June 30, 2020, you will need to complete the **19/20 FAFSA**. It is recommended that the **IRS Data Retrieval Tool (DRT)** be used for the US Income/Tax questions. The address must match the most recent tax return address to transfer to the FAFSA.

20/21: For students starting between July 1, 2020 & June 30, 2021, the 20/21 FAFSA is used. It is also recommended that students completing the **19/20**, also complete the **20/21** at the same time, so they will be all set for their FAFSA renewal.

- 4) If questions arise, the FAFSA can be saved and a staff member can assist. If successfully sent, please **print or screen shot** the confirmation page that confirms submission & shows estimated financial aid for that school year, this can then be used to give an estimate of cost.
- 5) The FAFSA will process quickly, but will take 7 - 10 days to reach the school. The school will call you when received.
- 6) Loan Entrance Counseling and Promissory Notes (MPN’s) can be completed at www.studentaid.gov using the account login. If dependent, the parent that signed the FAFSA and will be signing enrollment paperwork may also complete the Parent PLUS MPN if required.

***** High School students enrolling as adults in June 2020, may receive a better financial aid package *****
